

Who do you ask...

**when you need a solution to a difficult dental problem or
need to restore or replace teeth with the finest choices?**

When a patient with a medical problem needs a dentist with medical knowledge, there is only one I refer them to... Dr. Joseph Breitman is the first choice of my family, my friends, my medical associates and me!

- Dr. Donald R. Stoltz, Family Practice Physician

Incomparable attention to detail and dental work of the highest quality, best describe Dr. Breitman's work and standards.

- Rochelle Fieldcamp, Esquire, Attorney

Since I've had my smile returned to me, I can treat my patients with confidence.

- Dr. Jack Rubinlicht, Podiatrist

I have been referring my patients for extensive restorative dental treatment for many years, with great patient satisfaction, to Dr. Joseph Breitman. When it came time for my own dental treatment, the choice was obvious, Dr. Joseph Breitman.

- Dr. John Cacchio, General Dentist

Dr. Joseph Breitman was one of those students whose abilities and talents stood head and shoulders above the others. He showed remarkable digital dexterity and persistence for setting a goal only to obtain the best results... A perfectionist... who carried that same sense of perfection and achievement into... his practice and research into new techniques and materials.

- Dr. Irvin R. Friedman, General Dentist and Dental Educator.

He is the dentist's dentist.

- Dr. Marc Sandler, General Dentist
